

Spinosad Matrix (USEPA Subm.)

TABLE OF CONTENTS (NAF-144 deleted from matrix beginning with 10/3/96 copy to EPA)

NOTE: The technical information on pages 1-21 of the Current Matrix (Tab 2) is organized by EPA guideline numbers. The end-use products (pages 22-33) only include the Product Chem and Actue Tox information. Efficacy information is listed with the end-use, if applicable. However, efficacy data is not usually required for the USEPA. See Tab 3 for more detailed Petition information (DAS internal use only). Note: Any reference to TABs only applies to the electronic version of this Excel Workbook.
